

West Lodge Primary School

Primary PE and Sport Premium Grant Expenditure 2024-25

In 2012, as part of the Government's legacy to the Olympic and Paralympic Games, it was announced that there would be new funding of £150 million available to schools for physical education (PE) and sport. This funding should be used to improve the quality and breadth of PE and sport provision. In July 2017 it was announced that schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil. For the academic year 2024-25 West Lodge Primary School will receive a PE and Sports Premium of £22,460. The school has an allocated PE budget – the PE and Sports Premium is in addition to this budget, therefore allowing the school to invest therefore £22,460 in improving the quality of provision and range of opportunities and experiences. Further information about the PE and Sport Premium can be found on the government website: [PE and Sport Premium](#) .

Overview of the school

Number of pupils and sports premium grant received	
Total number of pupils on roll	646
Total amount of Sports Premium Grant	£22,460
Total Sports Premium expenditure	£25,200

The PE and Sport Premium is to be used to make additional and sustainable improvements to the quality of the physical education (PE), physical activity and sport provided by the school.

We aim to see improvements across 5 key indicators:

- A. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- B. The profile of PE and sport is raised across the school as a tool for whole-school improvement
- C. Increased confidence, knowledge and skills of all staff in teaching PE and sport
- D. Broader experience of a range of sports and activities offered to all pupils
- E. Increased participation in competitive sport at West Lodge

At West Lodge we aim for all children to, “find their spark” and by providing children with excellent Physical Education, a wide variety of school sport and opportunities to learn how to be physically active, we hope these experiences will be the foundations for an active lifestyle as young people and future adults.

School focus	Key Indicator(s)	Actions to achieve:	Funding allocated:	Review - Evidence and impact:	Sustainability and suggested next steps:
To raise the profile of sport within the school and to sustain and increase the opportunities for competitive sport, staff training and collaborative sporting activities across Harrow	B, C, D, E	- Purchase of Borough Sports SLA (includes staff training and interschool competitions) - Maintain membership of Harrow School Sports Partnership through the purchase of the SLA. To access to borough competitions and inter school fixtures throughout the year. - Maintain membership of the Youth Sports Trust (YST) and all the training they can provide. - West Lodge has taken on the role as the School Games Organiser (SGO) host school for Harrow.	£2500	More pupils have the opportunity to participate in school sports competition. Participation numbers have increased during 2023-24. Sporting success and participation celebrated on school's Twitter account, website and weekly bulletins with reference to the school's vision of 'igniting the spark' in each child. Sporting successes shared in assemblies. The impact of this has encouraged younger children to aspire to represent their school/house. Children have celebrated as a community all achievements of their peers raising the profile of sport across the school. Updated kits purchased to raise profile of sport. The school has engaged in successful projects with Barnet FC and Wealdstone FC – with visits from professional footballers who hosted assemblies and led PE sessions. The school continues to be an active and founder member of the Harrow Fit4Life initiative.	Link strengthened with PSD group for delivery of part of the PE curriculum and extra-curricular activities. Further strengthen links with existing sports clubs to provide exit routes for pupils. Continue to develop links with Harrow AC.

To encourage active play during break times and lunchtimes for all pupils and incorporate active breaks in order to engage all children in a healthy active lifestyle.	A, B, D, E	- Continued engagement with OPAL to improve the quality of playtimes and lunchtimes across the entire school. - Employment of play leader and sports coach to promote and support outdoor play and learning across the school. - Purchase of equipment to support active breaks and lunchtimes - Organisation of intra-school sporting competition at lunchtimes (house tournaments).	£16,500	Increased engagement with OPAL equipment and activities during the year. Children have accessed a wider range of physical activity at breaktimes and lunchtimes with support from sports coaches or sports leaders on the playground. New equipment in place and used by children. New Sports leaders for next year have received training and experience in preparation for the new academic year.	Additional capacity built into PSD timetable to further develop
Additional lessons for pupils not meeting National Curriculum requirements for swimming and water safety	A, D	Hire of swimming pool and swimming coach to provide top-up sessions for targeted pupils	£1200	Swimming lessons have been impacted by the pandemic, however we have been able to arrange lessons for pupils. The percentage of pupils achieving the National Curriculum Standard has remained above 80%. We have notified parents who have not achieved the National Curriculum Standard and signposted to local swimming pools for further support.	Liaise with Highgrove Leisure Centre and/or Hatch End Swimming Pool to build in additional sessions.
Provide staff with professional development, training and resources to help them teach PE and lead play more effectively.	B, C	- Training for play leader, LAs and SMSAs to lead active play throughout playtimes and lunchtimes. - PE lead to help support in planning and delivery of lessons for ECTs and NQT+1 - Teachers work with qualified sport coaches during lessons to develop subject knowledge and skills.	£2500	PE leads have had access to CPD run by YST. PE lead has provided training on the curriculum and given support throughout the year to teaching staff in school. Teachers are more confident in delivery of areas identified. Pupils' lessons are of higher quality, showing improved progression. Pupils have access to high quality of PE delivered by specialist coaches and their class teachers.	Build in regular drop-in slots for staff to discuss PE with PE Leads or PSD staff.

To provide opportunities for all pupils to participate and compete in school sport.	B, D, E	• Enter a range of competitions to enable pupils to take part in competitions and festivals and giving pupils of a range of attainment levels opportunities to take part in competitive sport. • To attend sport fixtures, events and festivals. • Arrange for transportation to sport fixtures, events and festivals. • Purchase new kit for competitions.	£2500	The school has, once again, successfully achieved the School Games Platinum Award for 2023-24 – the school first achieved this in 2016-17. We have experienced continued success in sporting competitions this year. A large number of children have taken part in varying competitive activities. Notable successes: Hosting Inclusive Sporting events. Indoor Athletics – 2nd in North London and 3rd in London. Quad Kids – 1st in Harrow Tag Rugby – 1st in Harrow Athletics – 1st in Harrow Boys' Football – winners of local cluster league Cricket – Harrow Champions Also taking part in netball and basketball competitions. The school continues to organise intra-school competitive opportunities through inter-house competitions; FOWLS Football Tournament (over 250 children took part); active sports days and fun runs.
