

West Lodge Primary School Weekly Bulletin

Respecting each other, learning creatively, challenging all.

19th June 2020

Dear Parents/Carers,

I hope you are all well. We have made it to New Zealand! A total of 13184 miles covered – what an incredible effort! Well done to everyone!

We have decided to set ourselves one final challenge....to travel back to Pinner via a different route – we are going to experience South and Central America on our way back home! Can we circumnavigate the globe? As we exceeded our 12,000 mile target to New Zealand we have already covered 1184 miles of the new 12,700 mile target. This leaves us 4 weeks before the end of term (July 17th) to cover the remaining 11,516 miles to return home. We can do it – but we need more people to join in to help us all get back home! You can sign up on Strava using this link. <https://www.strava.com/clubs/westlodge>

We achieved all of last week's targets:

1. To reach 190 members on the school Strava page- **199 members** ; 2. To raise £1000 for Save the Children- **£1110**
3. To reach a total of 12000 miles- **13184 miles**

To encourage us all in the (revised) final push, our new targets over the next 4 weeks will be:

1. To reach 250 members on the school Strava page; 2. To raise £2000 for Save the Children; 3. To cover the remaining 11516 miles back home. Here is the link to our justgiving page!

We had some wonderful alternative book covers sent in to school last week, you can see a selection below from the following children: Grace, Cameron, Tanay and Saanvi, Shrimukund and Diya.

The composer of the week for next week is trumpeter and composer Miles Davis. A hugely influential figure – who has impacted on music across a range of genres. The collaborative/family project for next week is linked to PE. There are a series of challenges to take part in according to your year child's year group. All of the activities can be found on the school website.

<https://www.westlodge.harrow.sch.uk/physical-activity-2/> . There are three elements:

- 1) **The West Lodge School Games – for all year groups**
- 2) **Harrow Virtual Athletics Championships – additional challenges for Years 3 to 6**
- 3) **Diet Activity – for Years 5 & 6**

We hope you enjoy these active challenges!

The home learning plans for next week are now on the school website. <https://www.westlodge.harrow.sch.uk/home-learning-week-11/>
