

West Lodge Primary School Weekly Bulletin

Respecting each other, learning creatively, challenging all.

5th June 2020

Dear Parents/Carers,

I hope you are all well. I would like to start this week's bulletin with a well done to all who have contributed so far to our total distance of the Pinner to New Zealand challenge - we have now reached Cambodia! Travelling 7633 miles so far, we have covered 64% of our journey. We currently have 174 members on the team, if you would like to join the team please use the link below - it is a great way for families to exercise together with a purposeful goal in mind. Here is the Strava link and the just giving page - we have currently raised £650. <https://www.strava.com/clubs/westlodge>

There were some wonderful activities linked to Mrs Richmond's RE project. The pictures below show some of the 'Special Day' celebrations: Aaran and Anya celebrating VE Day, Iftikar celebrating Eid, Alfie celebrating Norway's National Day. Anya produced an excellent diagram showing the layers of the rainforest. The final photo is Fabian with his model of Apollo 11 inspired by our assembly on space earlier this week.

The composer of the week for next week is John Williams – he has composed many great film scores: Superman, Star Wars, Harry Potter, Indiana Jones. I am sure the children will enjoy exploring his music next week. The collaborative project for the week after half-term will be linking art and reading, Mrs Taylor and Mr West have organised the activity and the children will be challenged to recreate their favourite book cover through either photography or another form of media. We will be sending out some examples on Monday. The home learning plans for next week are now on the school website.

Thank you for your continued support. I will finish with a quote to inspire our continual quest for improvement: "The goal is not to be better than the other person, but your previous self." Dalai Lama

Have a lovely weekend,

Jim Dees
