

*****West Lodge at 70*****

Anniversary Celebrations

Pupils

- Each year group will study a particular decade from the last 70 years, learning about world events, society, music & art
- Children will produce displays and artwork based on their learning
- We will have a visit from Michael Rosen and possibly other former pupils who will share their memories of their time at West Lodge

Events

Alumni evening – Wednesday 19th June

- for former staff and pupils who attended the school between 1954-2004

West Lodge museum/exhibition featuring photographs and other memorabilia

West Lodge WestFest!

Friday 21st June 3:00-5:30pm (tbc)

- Whole school community event to be run in conjunction with FOWLS
- Performances, music, stalls, food & drink, Y6 enterprise, fairground rides

Fundraising

As well as these events being a way of bringing the school community together we also hope that they will be a way of generating much needed funds for the school.

Some of the projects we are hoping to fundraise for include:

- Further development of our outdoor learning areas
- Replacement of obsolete ICT equipment
- Installation of air conditioning/heating in the hall and more classrooms
- New stage curtains
- New outdoor play equipment

London Marathon

Judy Rackham and Dawn Wilson are running the London Marathon to raise funds to develop outdoor learning at West Lodge.

We are planning to further develop our outdoor learning provision at West Lodge Primary School to support the development of positive mental health and wellbeing by enabling children to spend more time outside, connect to nature and be more physically active. Taking learning outdoors, across the whole curriculum, will also have a positive impact on pupils' focus and concentration whilst in the classroom, therefore enabling children to reach their academic potential.

We will use the funding raised to purchase a range of resources that will facilitate outdoor learning across the whole curriculum and will enable the school to maximise the use of the range of outdoor learning spaces that we have around our site.

Our target amount is £7500.

We are very excited about these events and the opportunity for the whole school community to be able to come together to celebrate, but.....

We need your help!

FOWLS

**Friends of West Lodge
School**

Raising vital funds for our school and building
a sense of community!

How you can help

Before the day:

- Volunteering your services to make the sure the school is looking ship shape for the June events – painting, gardening etc.
- Approaching businesses (local and beyond) and other contacts who might be able to offer event sponsorship, raffle prizes etc
- Match funding

On the day:

- Helping with setting up the event on the Friday
- Helping on a stall
- Face painting
- Baking cakes

We are looking for a new FOWLS team for the next two years....

Raising vital funds for our school and building
a sense of community!

The background of the slide features a string of colorful bunting flags in shades of red, green, blue, and orange, hanging diagonally across the top and sides. The main text area has a light blue gradient background.

We are keen to hear your ideas - if you think you can help in any way, please:

- speak to one of us over coffee**
- sign up on one of our no obligation sign up sheets**
- drop us an email**

Thank you!!!!
